AFFIDAVIT OF HANS DROEMER

Commissioner for Patents
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

1. I am Applicants' attorney with respect to European Patent Application No. 02100748.9 entitled "Sox Trap for Diesel and Lean Burn Gasoline Automotive Applications."
2. I was responsible for the decision to file European Patent Application No. 02100748.9. The subject matter of this European Patent Application covers the same material as the presently filed U.S. application.
3. I decided to file European Patent Application No. 02100748.9 in Europe because several of the key inventors were not U.S. citizens and were located in Germany when the application was filed.
4. At the time European Patent Application No. 02100748.9 was filed, I did not know that a U.S. foreign filing license may be necessary as I am not a registered U.S. patent attorney or agent. Accordingly, my decision to file the foreign case without obtaining such a license was inadvertent without any deceptive intent.
